Town Warrant

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Brookfield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town Hall in said Brookfield on Tuesday the Fourteenth day of March, next, at one of the clock in the afternoon to act upon the following subjects:

Polls will be open from 1:00 to 6:00 P.M.

1. To choose all necessary Town Officers for the coming year.
2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1989 taxes.
3. To see if the Town will vote to amend the Zoning and Land Use Ordinance by inserting a new Article VI, Open Space Preservation Ordinance and renumbering as required:

“Article VI. OPEN SPACE PRESERVATION ORDINANCE

A. Purpose and Intent

The purpose of the Open Space Preservation Ordinance is to encourage the sound use of land, the preservation of open space the protection of natural features and the maintenance of the rural atmosphere of the Town of Brookfield.

B. Lot and Building Requirements

The Planing Board may approve open space developments subject to the provisions of Article V, A., the following regulations and such other regulations as may apply:

1. Parcels of land submitted to the provisions of this Article shall be a minimum of ten (10) acres in area.
2. **Density.** There shall be a minimum of two (2) acres of net developable land for each dwelling unit.
3. **Net developable land.** Net developable land shall be computed by subtracting from the gross total acreage contained within the development all roads excluding driveways, streams, areas designated as very poorly drained soils and all areas designated as flood plain by the U. S. Department of Housing and Urban Development. Slopes greater than twenty-five percent (25%) may be included within the net developable land but may not be used for building purposes.
4. All dwelling and other structures shall be set back a minimum of fifty (50) feet from the exterior boundaries of the parcel of land submitted to the provisions of this Article and fifty (50) feet from any road abutting an open space development.
5. Every lot shall have a minimum of twenty thousand (20,000) square feet of contiguous area which has at least three (3) feet of natural soil material above bedrock, contains no very poorly drained soils and has slopes less than twenty-five percent (25%). All buildings and other structures shall have a

minimum front setback of twenty-five percent (25%) of the average lot length and side setbacks of not less than fifteen percent (15%) of the average lot width. Rear setbacks shall be a minimum of twelve (12) feet. Developments submitted to the Open Space Preservation Ordinance shall not be required to comply with the provisions of Article V, B. 1, 2 and 3 of the Zoning and Land Use Ordinance.

6. There shall be a minimum of two off-street parking spaces provided for each residential dwelling unit.
7. A minimum of twenty-five percent (25%) of the net developable land shall be preserved as open space.
8. Provisions shall be made, in a form satisfactory to the Planning Board, for the ownership, maintenance and management of the open space areas. Open space areas under this Article shall be restricted by permanent covenants from further subdivision or inclusion in the land area for density computation for any subdivision other than the original subdivision of which the open space is a part.
9. Part of the open space shall be used as a buffer between the development and any public highway and abutters to ensure privacy and improve safety.
10. Utility lines shall be placed underground when feasible.
11. Open space preservation developments may be required to have separate entry and exit points to the public highway.”
(By Petition) (By Ballot) (Not Recommended by the Planning Board)

4. To see if the Town will vote to amend Article VI by deleting the first sentence of Article VI and inserting in its place the following: “No building shall be erected, rebuilt, remodeled or substantially repaired unless in compliance with the Building Officials and Code Administrators International, Inc. (BOCA) Basic/National Building Code and the following requirements, the more stringent of which shall apply.”
(By Petition) (By Ballot) (Not Recommended by the Planning Board)
5. If Article 4 is voted in the affirmative; to see if the Town will vote to raise and appropriate the sum of \$1,000 for the Code Enforcement Officer.
6. To see if the Town will vote to clarify the status of the Tumbledown Dick Mountain Road (otherwise known as T’Dick Road, Dick Road, Tumbledown Dick Road, et al) by designating it as a Class V Road extending northwesterly from the westerly sideline of land now or formerly of Matlock to a point approximately 11,000 feet to the westerly sideline of land now or formerly of Dolores Thomas. (By Petition)
7. If Article 6 is voted in the affirmative; To see if the Town will vote to raise and appropriate no more than the sum of \$250,000 for upgrading 11,000 feet of Tumbledown Dick Mountain Road to Class V.
8. To see if the Town will vote to clarify the status of the Tumbledown Dick Mountain Road (otherwise known as T’Dick Road, Dick Road,

Tumbledown Dick Road, et al) by designating it as a Class V Road extending northwesterly from the westerly sideline of land now or formerly of Matlock to a point approximately 1,775 feet easterly of the Wolfeboro Town Line, being the beginning of Pleasant Valley Road. (By Petition)

9. If Article 8 is voted in the affirmative; To see if the Town will vote to raise and appropriate no more than the sum of \$380,000 for upgrading approximately 4 miles of Tumbledown Dick Mountain Road to Class V.
10. To see if the Town will vote to authorize the Selectmen to form a Committee to investigate possible locations to build an elementary school in Brookfield. Said location to meet the minimum state standards for an elementary school. Said committee to complete its investigation and report their findings and recommendations to the voters at the next Annual Meeting. (By Petition)
11. To see if the Town will vote to instruct the town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the state and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects. (By Petition)
12. To see if the Town will vote to raise and appropriate the sum of \$15,700 for the Wakefield Fire Department and \$2,700 for Forest Fires.
13. To see if the Town will vote to raise and appropriate the sum of \$31,600 for use of Sanbornville Dump.
14. To see if the Town will vote to raise and appropriate the sum of \$1,700 for the Gafney Town Library.
15. To see if the Town will vote to raise and appropriate the sum of \$500 for Huggins Hospital.
16. To see if the Town will vote to raise and appropriate the sum of \$625 for the Visiting Nurse Association of Wolfeboro and Vicinity.
17. To see if the Town will vote to raise and appropriate the sum of \$525 for the Carroll County Mental Health Service.
18. To see if the Town will vote to raise and appropriate the sum of \$450 to help finance the Wolfeboro Area Meals on Wheels Service.
19. To see if the Town will vote to raise and appropriate the sum of \$500 for the Center of Hope.
20. To see if the Town will vote to raise and appropriate the sum of \$63.82 for the Lakes Region Association.
21. To see if the Town will vote to raise and appropriate the sum of \$4,000 to the Capital Reserve Fund for the Town Road Equipment.
22. To see if the Town will vote to raise and appropriate the sum of \$11,000 for the purpose of oiling roads.

23. To see if the Town will vote to raise and appropriate the sum of \$2,400 for Brookfield's share of maintenance of the Wakefield Area Ambulance expenses.
24. To see if the Town will vote to have the Planning Board appointed by the Board of Selectmen, rather than being elected.
25. To see if the Town will vote to authorize the Selectmen to act as the franchising authority for the franchising and regulation of a Cable Television System for the Town pursuant to RSA Chapter 53-C.
26. To see if the Town will authorize the Selectmen to appoint a Conservation Commission consisting of five (5) members whose term would be for three (3) years.
27. To see if the Town will vote to close out the Police Cruiser Capital Reserve Fund in the amount of \$15,997.04 and apply \$9,000 to up-date the Master Plan and \$6,997.04 to be applied to the Reassessment Fund. ($\frac{2}{3}$ vote required)
28. To see if the Town will vote to raise and appropriate the sum of \$10,000 plus \$6,997.04 from the Police Cruiser Capital Reserve Fund to be put in a Reassessment Fund for reassessment of the Town in 1990—the balance of the estimated cost of \$20,080 to be raised at the 1990 Town Meeting.
29. To see if the Town will vote to raise and appropriate the sum of \$10,500 for the purpose of up-dating the Town's Master Plan by the Lakes Region Planning Commission, \$9,000 to be applied to the cost from the Police Cruiser Fund, the balance of \$1,500 to be raised by taxation.
30. To see if the Town will vote to authorise the Selectmen to contract with the Town of Wakefield for police protection at a cost of \$40,800, if accepted by the Town of Wakefield.
31. To see if the Town will vote to raise such additional sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for same, as set forth hereafter.

Report of the Planning Board

During the past year the Brookfield Planning Board met for twelve regular meetings, 7 public hearings, and numerous monthly work sessions.

Three subdivisions were approved creating 3 building lots. One subdivision was denied. This was a proposed 26-lot subdivision by David and Thelma Bold. Two other subdivision applications of 11 and 16 building lots are under discussion at this time.

The Board has totally rewritten the Town subdivision regulations based on soils and slopes determining the lot size. Two public hearings were held on a cluster development ordinance which was voted down by the Town's people at a special Town election.

The granting of gravel permits has been transferred from the Selectmen to the Planning Board, one permit was granted.

The Planning Board has adjusted the subdivision fee schedule so that we should be self sufficient.

During the next year we hope to be able to work with the Lakes Region Planning Commission to update our Town Master Plan.

This next year the Board is faced with the time and expense of defending its decision to deny the proposed 26 lot subdivision of David and Thelma Bold.

Report of the Board of Adjustment

It has been a quiet year for the board. Only one hearing was held—it resulted in the granting of a special exception to the wetlands provision of the zoning ordinances.

The year also saw resolution, in Superior Court, of a 1987 decision by the board denying a variance for the erection of a satellite dish antenna not meeting minimal setback requirements. The court upheld the board's decision.

Respectfully submitted,
WALTER HARRIS

Report of the Health Officer

For year 1988 there were 49 test pits and perc tests dug and approved according to the Town regulations, also 3 septic systems were completed and approved by the Town and State.

One Radon test report was forwarded to me which proved to be within normal limits.

Respectfully submitted,

RITA McDONALD, Health Officer

Wakefield Police Department

BROOKFIELD SERVICE REPORT

The Wakefield Police Department has moved into its new Station, and the increased workspace and functional design of the buliding enables us to serve the community more efficiently. Our service continues on a 24 hour basis.

This year we received a total of 203 calls for service to Brookfield. Many of these calls were for suspicious activity observed by alert citizens. We appreciate their efforts which help keep the crime rate down.

POLICE SERVICE COSTS

Comparative Statring Salaries for Officers

Wakefield	\$15,500
Wolfeboro	\$18,000
Conway	\$18,500

Wakefield full-time officers will not receive any pay raises for 1989. A step system was implemented last year, and only one position had a step increase this year. Part-time officers will receive an increase from \$6.00 per hour to \$6.50 per hour in the 1989 proposed budget.

Increases sought in the budget is due to the request for one additional full-time officer, and this addition is partly offset by decreasing part-time hours by 1004 hours. There is money in the budget for water, heat, electricity, and building maintenance for the new station.

The largest budget increase is attributed to Hospitalization (33½ % increase), Workman's Compensation, and Insurances. Vehicle repair costs are astronomical, e.g., \$500 for an alternator, \$500 for a carburetor.

Costs which can be controlled are carefully monitored throughout the year and kept to a minimum with the taxpayers' burdens in mind.

On behalf of the members of the Department, my thanks to the Brookfield Selectmen for their support, and for the continued cooperation of the citizens in our service to you.

Respectfully submitted,
CHARLES E. SULLIVAN
Chief of Police

Report of Town Forest Fire Warden and State Forest Ranger

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes were preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight measure for falsly determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

Fire Warden Report

I am submitting this report on the activities of the Fire Warden and forest firefighting for the year 1988 for the Town of Brookfield.

Fires	Date	Cost to Town
The French Fire	30 March 1988	None
Expenses		
Maintenance of Forestry Truck:		\$53.58
Maintenance of Existing Equipment and Purchase of New Equipment		
Radio Equipment		
Purchase of new battery:		\$30.00
Purchase Battery Charger:		\$69.99
TOTAL		\$153.57

There were five fire permits issued in 1988.

Sincerely,
DOUGLAS W. VANDERPOOL
Forest Fire Warden

Wakefield Area Ambulance Corp.

The Wakefield Area Ambulance Corp. responded to twenty-two calls in Brookfield in 1988. Of these calls, one was for an accident, three were for standby at fires, and eighteen were for home accidents or illness. Of the twenty-two calls, sixteen resulted in transportation to area hospitals from Brookfield. From donations received from Wakefield and Brookfield residents and from fund raising events, the Ambulance Association purchased over \$5,000 worth of equipment to improve the medical treatment provided.

MALCOLM H. KURTH, Director

Visiting Nurse Association of Wolfeboro and Vicinity, Inc.

The schedule of costs of providing home health services to Brookfield residents in 1988 and the computation of our 1989 appropriation request in the amount of \$625.00. We have computed our request based on services provided between 01-01-87 and 09-30-88. In our computation we continue to spread the indirect care costs by the ratio of visits made to each town.

Our request represents a decrease of \$250.00. Services to Brookfield residents decreased as the following statistics show:

	1987	1988
Number of visits received by Home Care.	21	8
Home visits by Agency Staff	125	107
(including Nursing, Physical Therapy and Home Health Aide visits)		

Since July 1, 1987 Home Health Aide Services have been provided by Straff Home Health Aides rather than through contracted services. This change has resulted in more flexibility in scheduling to better meet clients needs, increased availability of supervision and decreasing costs of these services.

In addition to these services we also provided Well Child Clinic services to 7 pre-school children. 7 school age children attended our immunization clinic held in cooperation with the local school system. 2 residents attended our Flu Immunization Clinic.

The number of residents receiving services decreased this year as did the number of home visits made. The level of care we provide continues to become more intensive and sophisticated and requires more advanced levels of care.

We continue to bill insurances of all kinds for our services whenever possible. For those people whose care is not covered by insurance benefits we request that they pay as much of the charge as possible. 71% of the residents receiving on-going home care in Brookfield were over 65 years of age and are generally living on fixed incomes. All home health services are provided under direct orders from a physician; we continue to provide the services ordered without full payment for those residents who cannot afford the full fee.
